

International Journal of Engineering and Science Invention

e-ISSN : 2319-6734

p-ISSN : 2319-6726

Contents :

Friction stir welding on Al-Mg Alloy plates by using Vertical Milling Machine	01-08
Atomic Absorption Spectrophotometric determination of Cadmium using biological materials	09-13
Recyclable Plastics and Recycling Technology	14-20
Development of a Strategic Road Safety Plan in the Company Aquaterra S.A.S	21-31
Design and Development and Analysis of Filament Winding machine for Composite materials	32-58

IJESI

Volume 12, Issue 12, December 2023
