

International Journal of Engineering and Science Invention

e-ISSN : 2319-6734

p-ISSN : 2319-6726

Contents :

Stochastic bounds for the Ermakov invariant driven by a Lévy process	01-08
Study of the possibilities of connecting to distribution electric networks of the various types of decentralized energy sources	09-12
Resizable sand-casting mould box	13-33
Detection of Aflatoxin in Paneer and Other Milk Products Marketed In Madurai North, India	34-38
Parameter Estimation of Flying Wing Micro-Aerial Vehicle	39-62
