## International Journal of Engineering and Science Invention (IJESI)

International Journal of Engineering and Science Invention (IJESI) is an international journal intended for professionals and researchers in all fields of computer science and electronics. IJESI publishes research articles and reviews within the whole field Engineering Science and Technology, new teaching methods, assessment, validation and the impact of new technologies and it will continue to provide information on the latest trends and developments in this ever-expanding subject. The publications of papers are selected through double peer reviewed to ensure originality, relevance, and readability. The articles published in our journal can be accessed online.

### **The Features of IJESI**

- \* Open access to all researchers
- \*Fast publication process
- \*Proper peer review process
- \*Electromechanical Engineering
- \*Suggestion to author if article need modification
- \*Post-publishing work like indexing of each article to different database.
- \*Journal publishes online as well as print version.
- \*Print version dispatch to author within a week of online version
- \*Journal provide digitally signed e-certificates to all author after the publication of paper
